Career Objective

Motivated Full Stack Developer with hands-on experience in Java, React, Spring Boot, and Node.js. Skilled at developing responsive, scalable web applications and RESTful services. Seeking a dynamic software development role to contribute to impactful, industry-focused software solutions.

Technical Skills

Languages: Java, Python, JavaScript, PHP, TypeScript

Frontend: React, Next.js, HTML5, CSS3, Tailwind CSS

Backend: Node.js, Spring Boot, REST APIs

Databases: MySQL, MongoDB

Tools: Git, GitHub, Power BI, Microsoft Excel

Professional Experience

Full Stack Developer Intern — Numetry Technology, Pune (Jan 2025 – Present)

- Developed and deployed e-commerce web applications using React, Node.js, Spring Boot, and MySQL.
- Implemented REST APIs for dynamic content delivery and real-time data updates.
- Collaborated on deployment workflows, improving website load times and uptime reliability.

Junior Full Stack Developer Intern — Codealpha, Remote (Jun 2024 – Sep 2024)

- Created web applications including a music player, vlog platform, and e-commerce site using React and Node.js.
- Gained practical mentorship in software development life cycle (SDLC) and best coding practices.
- Participated in code reviews and agile sprints to deliver timely project updates.

Projects

E-Commerce Web App | React, Node.js, MySQL

Developed a fully functional e-commerce site featuring product listings, cart management, and payment integration. GitHub: <https://github.com/shubhambudde1/internship/tree/main/clone/flipcart/flipcart>

vidtube | React, Api

Built a browser-based music player application with dynamic playlist management and playback features.

GitHub: <https://github.com/shubhambudde1>

Massaging app | Next.js, sql

Designed and implemented a responsive platform with CRUD operations and user authentication.

Education

Bachelor of Computer Applications (BCA)

D Y Patil School of Management, Pune | 2022 – 2025

Senior Secondary (XII), Science

Late Sahebrao Padetra, Latur | 2020 | Percentage: 77%

Secondary (X)

Yeshwant Vidhyalaya, Latur | 2018 | Percentage: 80%

Certifications

- Web Development (Udemy) | May 2024 – Aug 2024

- Power BI (Microsoft) | Aug 2023 – Present

- Digital Marketing (Google) | Aug 2023 – Oct 2023

- Microsoft Excel (Pune) | Apr 2023 – Jul 2023

Soft Skills

Team collaboration | Fast learner | Strong work ethic | Time management | Agile methodology understanding
